

Your family stay at

KARRIDALE
COTTAGES

and HOP FARM

Thanks for booking your stay at Karridale Cottages. We're excited to see that you're bringing the kids along for your stay so I wanted to let you know about our...

NATURE SCAVENGER HUNT
created in collaboration
with **NaturePlay WA**.

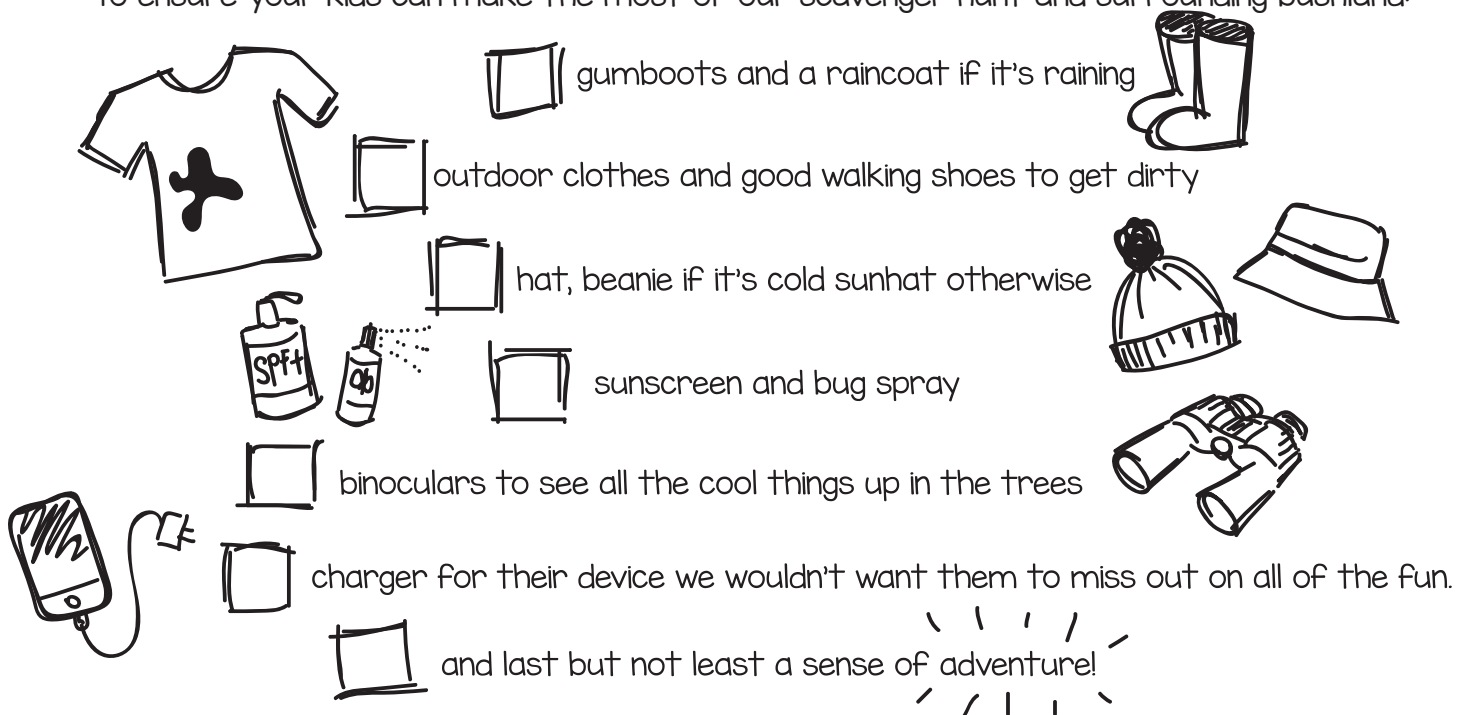

It's suited for kids ages 2-12.

A few things you need you to do before your stay:

- ① Before you reach Karridale Cottages, download the free **Nature Play WA** app onto the device you plan to use during the scavenger hunt via the Apple iTunes store or Google Play Store. Please note: Karridale Cottages has limited reception and no WIFI.
- ② From your app home screen, click "Trails" then "**Karridale Cottages**" - don't forget to cache the "Karridale Cottages" content bundle for offline use (instructions within the app).
Important: You will need to have your location services and Bluetooth enabled.
- ③ Check out the **Nature Play Bingo** game on the app for extra fun.

What to bring:

To ensure your kids can make the most of our scavenger hunt and surrounding bushland:

Our scavenger hunt has been specially designed to get your kids out in nature and exploring during your stay. If you share photos from your adventures please tag **#karridalecottagesandhopfarm**

Please respect our bushland, its trees, flowers, insects, mammals and birds.
Leave no trace, take only memories.
